

A Study of Our Beliefs

Do you have **any** questions about what the church teaches and believes? Do you have children in religious education? Are you an adult that is thinking about confirmation? Are you a life-long catholic that has no questions, but is willing to help others learn about the church?

If you answered yes to any of the above, or even if those questions only piqued your curiosity, then please join us as we start an exciting new offering in our parish: a study of our catholic beliefs, designed for adults of all ages!

All adults, regardless of your sacramental status, are invited to join in this study group. It doesn't matter if you already know all you need to know or if you have questions about some things or many things. You do not need to make a commitment to attend all sessions, although we hope you will attend as many as you can.

We will follow the religious education calendar, so if you have small children, the nursery will be available and your older children will be in classes.

We plan to meet in the Ashley House on Sunday mornings between the 8:30 and 11:00 am masses starting on August 12th. We will start sharply at 9:35 and end at 10:45 so that those who attend the 11am mass can get back over to the church! Coffee will be available!

For those who are interested, we will also spend August 5th and 19th looking at how Paul answered Jesus call to "go forth" in Acts.
